

1420 detergent

premium | industrial laundry detergent

linden series combines high-performance with formulations that preserve the soft feel and fresh scent to all fabrics. High tech solutions to common spot and stain problems allow you to get the most use possible from your linens and fabrics.

1420 Detergent is a powerful liquid detergent composed of surfactants, citrus solvents, and optical brighteners. For use where heavy soils are a common occurrence. Excellent for cleaning industrial type soils from uniforms, rags, and restaurant linen. Provides superior cleaning action.

features

- Effective in many types of industrial and institutional laundries.
- Optical brighteners present renew brightness of whites and colored fabrics.
- Formulated with a high concentration of hydrophobic solvents and surfactants to be especially effective for removal of oily and greasy soils.
- Very effective even at temperatures as low as 120° F.
- Equally effective at high levels of water hardness as in soft water.

optimal applications

Hotels, motels, health care facilities, nursing homes, commercial laundries, restaurants, food plants and meat plants.
