knock on wood

fusion series is our line of housekeeping products designed to be easy to use, efficient and safe. From state-of-the-art dispensing solutions to clear, simple color-named packaging, we've created fusion products in ways that make house-keeping a pleasure.

Amber furniture polish is formulated with highly refined solvents, orange and lemon oils, and polishing agents to be especially effective in cleaning, protecting and leaving a lustrous shine on all wood furniture and wood surfaces.

features

- Delivers a one-two-three punch of cleaning, polishing and protecting all wood surfaces in one easy operation. Just spray on and wipe with a clean, dry cloth.
- Removes light scratches and blemishes on natural wood finishes making the room cleaner.
- Removes dust and dust mites making the room healthier.
- Formulated with oils that penetrate into the wood and prevent the absorption of moisture, which would otherwise lead to cracking and warping of the wood surfaces.
- Leaves a mild, pleasant lemon odor making the room fresher.

optimal applications Kitchens, rest rooms, living quarters, home and office lobbies.

ideal for Hotels and Motels, Hospitals, Nursing Homes, Schools, Office Buildings, Housekeeping Services, and Furniture Stores.

environmentally preferred green cove™

This product meets our Green Cove standard. Environmentally Preferred Green Cove products reflect our commitment to protect the environment, operate in a sustainable fashion and deliver products that make a difference for our planet and our customers every day.
