

coral

baseboard stripper | cleaner

trouble shooter

fusion series is our line of housekeeping products designed to be easy to use, efficient and safe. From state-of-the-art dispensing solutions to clear, simple color-named packaging, we've created fusion products in ways that make house-keeping a pleasure.

Coral is a ready-to-use, heavy duty cleaner that is applied with either a trigger sprayer, mop or brush on baseboards and other hard to reach surfaces. Coral is especially suited for cleaning heavy soil, wax and floor buildup. Coral has an aggressive formula that penetrates and loosens buildup quickly and thoroughly. Thick solution clings well to vertical surfaces.

features

- Viscous solution clings to vertical surfaces giving extended dwell time for chemical action.
- Aggressive formula quickly penetrates, loosens and dissolves multiple coats of floor finish and other heavy soil buildup.
- Not corrosive, not flammable and devoid of irritating ammonia fumes.
- Can be removed completely with wet vacuum or damp cloth.

optimal applications Use for manual scrubbing or for automatic floor scrubbing machines. Use on resilient and non-resilient floors for effective removal of floor finishes, including vinyl composition tiles (VCT), terrazzo and ceramic tiles.

ideal for Hotels, motels, health care facilities, nursing homes, schools, super markets, department stores and office buildings, sing homes and schools.

environmentally preferred
