crisp starch

instant | powdered textile starch

linden series | clean, soft, textile care

Crisp Starch is a readily dispersible pre-gelatinized instant laundry powdered starch designed to provide excellent starching at 100 to 110 degrees F. It is economical and provides excellent fabric stiffness and smoothness of hand for all types of fabric, especially cotton based textiles including shirts, aprons, chef coats, sheets and table linens.

directions for use

Crisp Starch is for industrial use only. It should be used in a wash formula specifically designed to meet the needs of your facility. Consult your Santec technical representative for specific use directions.

WARNING

HAZARD STATEMENTS

May form combustible dust concentration in air (during processing).
