

delta action

heavy duty | multi-surface cleaner

value series efficient, cost-effective chemical cleaning compounds

Delta Action is a water based concentrated multi-surface alkaline industrial cleaner that effectively removes dirt, greases and oils, floors, walls and other hard surfaces. Delta Action's low foaming disposition can be used in automatic scrubbers. Non-flammable and non-corrosive it is safe for use on all surfaces not harmed by water.

features

- Penetrating cleaning action quickly removes all types of soils, grease and dirt from a variety of surfaces.
- Synergistic effects of detergents and hydrophobic solvents affect rapid dissolution and removal of oils and greases, both food and industrial based.
- Will not harm metal surfaces when used as directed.
- Versatile formula compatible with all surfaces not detrimentally affected by water.

optimal applications Kitchen floors and walls, restaurant food preparation areas, industrial concrete floors, machinery, stainless steel equipment, refrigerators, ovens, air conditioning ducts and grilles, tiles and marble.

ideal for Hotels, motels, hospitals, health care facilities, nursing homes, schools, apartment complexes, office buildings, food plants and meat plants.
