

delta force

heavy duty | oven cleaner

value series efficient, cost-effective chemical cleaning compounds

Delta Force is a heavy duty grill and oven cleaner that is a fast acting, penetrating and powerful. It can be sprayed or brushed on surfaces for rapid, effective and easy cleaning of the toughest baked-on food soils and grease and grime.

features

- Formulation contains high alkalinity and potent solvency that penetrate the toughest baked-on soils causing their complete removal without the need to scrub and scrape.
- Designed to be easily sprayed or brushed on horizontal surfaces for rapid and easy cleaning.
- Contains low foaming emulsifiers to aid in cleaning/-degreasing without the problem of excess foam.

Note: Due to highly alkaline nature of formulation, do not use on aluminum, copper, galvanized, plastic composition tile, painted surfaces, and self-cleaning and/or continuous cleaning ovens.

optimal applications

ovens, grills and deep-fat fryers.
