

delta pine

all purpose pine deodorant cleaner

value series efficient, cost-effective chemical cleaning compounds

Delta Pine is an effective and economical all purpose deodorant cleaner based on pine oil and soap. It is environmentally safe and chemically safe on most hard surfaces including wood.

features

- Low foaming soap /pine oil combination makes it a first choice fo automatic scrubbers for deodorant cleaning.
- Pleasant residue of non-volatile pine fragrance lingers long after cleaning is complete.
- Excellent for wood floors and surfaces.
- Mild pH product renders it safe for human touch and for most finished and painted surfaces.
- Will not soften or dull floor finishes or waxes.
- Environmentally safe.

optimal applications Commercial tiled (VCT) floors, polyurethane finished wood floors, painted walls, marble and terrazzo tiled floors and lobbies, refrigerators, stainless steel equipment, tables, chairs and furniture, countertops and all plastic and glass surfaced objects.

ideal for Hotels, motels, apartment buildings, department stores, supermarkets, office buildings, nursing homes and schools.
