elevate builder™

powdered | laundry alkali builder

linden series | clean, soft, fresh textile care

Elevate Builder is a highly alkaline powdered laundry builder with heavy duty performance to “break out” soils. Elevate is designed for use in all commercial, industrial and institutional laundry washing machines. When used at a properly controlled rate, Elevate does not reduce tensile strength of common fabrics such as cotton, polyester and blends. Elevate is not for use on delicate fabrics such as wool and silk.

directions for use

Elevate Builder is for industrial use only. It should be used in a wash formula specifically designed to meet the needs of your facility. Consult your Santec technical representative for specific use directions.

HAZARD

HAZARD STATEMENTS

Causes severe skin burns and eye damage. Fatal if inhaled. May be corrosive to metals.

PRECAUTIONARY STATEMENTS

Wear protective gloves, splash goggles, face shield, full suit, respirator and boots. Do not breathe dust /mist. Wash thoroughly after handling.

FIRST AID

Eye Contact: Check for and remove any contact lenses. Flush with large quantities of water, holding eyelids open for 15 minutes. Seek medical attention immediately.
