

eleven

drain + sewer treatment

resolve series represents a complete kitchen solution. Simple, numerically named, effective dish detergents, degreasers and sanitizers for both manual and automatic cleanup keep your food preparation areas sparkling with minimal effort.

eleven is an environmentally safe drain line and grease trap maintainer. It contains a blend of microorganisms that rapidly digests and degrades a wide range of organics including fats, oils, grease, cellulose, protein and starch residues. Thereby both eliminating malodors and allowing drains and traps to flow freely.

FEATURES

- Formulated with 100% non-pathogenic beneficial bacteria and organic cleaning compounds making it non-toxic and environmentally safe, winning it Ecologo approval.
- Used regularly, it reduces grease build-up headaches in traps while preventing formation of blockages in drain lines and down pipes.
- Helps eliminate malodors by digesting the organics that cause them.
- Product is pH neutral and safe/compatible with drains and traps of all metal and non-metal construction.
- By continually dissolving grease it lowers grease disposal costs.

OPTIMAL APPLICATIONS

Restaurants, cafeterias, food processing plants, bakeries, supermarkets, hotels, schools, hospitals and nursing homes.

IDEAL FOR

Kitchens, food preparation areas, meat packing rooms, grease traps, drain/down pipes and septic tanks.

green cove™

BIODEGRADABLE, NON-TOXIC, PHOSPHOROUS FREE
