equal neutralizer™

chlorine | alkalinity neutralizer

linden series | clean, soft, fresh textile care

Equal Neutralizer is a mild acidic sour and reducing agent combination liquid for the final rinse in the wash cycle to eliminate both residual alkalinity and chlorine from the wash bath.

directions for use

When dispensing at a properly controlled rate, Equal Neutralizer does not reduce tensile strength of common fabrics such as cotton, polyester and blends. Equal Neutralizer is not for use on delicate fabrics such as wool and silk. Equal Neutralizer should be used in a wash formula specifically designed to meet the needs of your facility. Consult your Santec technical representative for specific use directions.

DANGER

HAZARD STATEMENTS

Causes skin and eye irritation.

PRECAUTIONARY STATEMENTS

Wear protective gloves, splash goggles and vapor respirator if necessary.

Do not breathe the mist /vapors /spray. Wash thoroughly after handling.
