L6057

formula 576

degreasing booster | pre-treatment

linden series | clean, soft, fresh textile care

Formula 576 is a 100% active biodegradable citrus based laundry additive. **Formula 576** enhances laundry operations by removing oil and grease stains from fabric. It can be used as a laundry booster, as a pre-soak or as a pre-spotter.

directions for use

As a laundry booster:

Can be added to heavily oily/greasy soiled loads to enhance cleaning. It also significantly enhances cleaning when added to all loads containing table linen and napkins as well as pillow cases and bathroom towels.

As a laundry pre-spotter:

Onto all types of oil/grease stains, shoe polish, cosmetic stains, food soils and any stain that is very oil-soluble, spot stained area liberally; 'feather' with spotting brush if available. Allow ten to thirty minutes before washing.

As a pre-soak: Add '576' to water and allow significant contact time before proceeding to wash.

WARNING

HAZARD STATEMENTS

Combustible. May cause eye and skin irritation.

PRECAUTIONARY STATEMENTS

Wear protective gloves, splash goggles and protective clothing. Do not breathe mist /vapors /spray. Wash thoroughly after handling.

FIRST AID

Eye Contact: Check for and remove any contact lenses. Flush with large quantities of water, holding eyelids open for 15 minutes. Seek medical attention if symptoms persist. **Skin Contact:** Wash skin with copious amount of water. Seek medical attention if symptoms persist. **Inhalation:** Remove to fresh air. Seek medical attention if symptoms persist. **Ingestion:** Do not induce vomiting. Drink copious amounts of water. Seek medical attention

immediately.

STORAGE

Store in original container protected from sunlight in a well ventilated area, away from incompatible materials, food and drink. Avoid heat, spark, open flame and other ignition sources. Keep out of reach of children.

SPILL /LEAK

Put on appropriate personal protective equipment. Move container from spill area. Dilute with water and mop up if water soluble or absorb with an inert dry material and place in an appropriate waste disposal container.

DISPOSAL

Dispose of material in accordance with local, state and federal regulations.
