four™

presoak + pot cleaner

resolve series | high-performance food service solutions

**Four** is safe for use on all metals and is highly effective in removing various soil loads and types. Resolve Four delivers sparkling silverware and stainless steel results. Especially formulated to penetrate tough food soil deposits. Resolve Four is also formulated to remove grease from pots and pans without effort.

### directions for use

Presoak kitchen ware and utensils for 15-30 minutes, depending on soil load. **Presoak:** When preparing a presoak solution, water temperatures should not exceed 100°F (38°C) or be less than 55°F (4°C). Using the product in water outside these temperature ranges could render it ineffective. DO NOT MIX sanitizers or other chemicals into the presoak solution.

Dosage rates are as follows: **SOIL LOADS: Light-** 1/2 oz./gal. **Medium-** 1 oz./gal. **Heavy -** 2 oz./gal. **Pot & Pan:** Fill pot sink with a strong stream of water. Soak utensils for 15-30 minutes depending on soil load. Scrub off grease to achieve desired results.

#### WARNING

#### HAZARD STATEMENTS

May cause skin irritation.

#### PRECAUTIONARY STATEMENTS

Wear protective gloves, splash goggles and protective clothing. Do not breathe mist /vapors/spray. Wash thoroughly after handling.

#### FIRST AID

Eye Contact: Check for and remove any contact lenses. Flush with large quantities of water, holding eyelids open for 15 minutes. Seek medical attention if symptoms persist. Skin Contact: Wash skin with copious amount of water. Seek medical attention if symptoms persist. Inhalation: Remove to fresh air. Seek medical attention if symptoms persist. Ingestion: Do not induce vomiting. Drink copious amounts of water. Seek medical attention immediately.

#### STORAGE

Store in original container protected from sunlight in a well ventilated area, away from incompatible materials, food and drink. Avoid heat, spark, open flame and other ignition sources. Keep out of reach of children.

#### SPILL /LEAK

Put on appropriate personal protective equipment. Move container from spill area. Dilute with water and mop up if water soluble or absorb with an inert dry material and place in an appropriate waste disposal container.

#### DISPOSAL

Dispose of material in accordance with local, state and federal regulations.

#### HAZARDOUS INGREDIENTS
