L6106

# inspire™

industrial laundry detergent

**linden series** | clean, soft, textile care

product | Dispose of in accordance with local authority regulations.

container | Made from HDPE and should be disposed of in accordance with local authority regulations.

**inspire** is a low foaming NPE-free detergent excellent for cleaning synthetic and natural fabrics. It penetrates and emulsifies oily soils. It provides superior cleaning action when used in conjunction with Santec's alkali break.

## directions for use

Inspire is for industrial use only. It should be used in a wash formula specifically designed to meet the needs of your facility. Consult your Santec technical representative for specific use directions.
