

# marine

soft cream cleanser | polish

smooth sailing

**fusion series** is our line of housekeeping products designed to be easy to use, efficient and safe. From state-of-the-art dispensing solutions to clear, simple color-named packaging, we've created fusion products in ways that make house-keeping a pleasure.

**Marine** is a soft cream cleanser that safely cleans and polishes many surfaces including: chrome, copper, brass, porcelain, toilet bowls, tile walls, stainless steel, marble and other surfaces that water will not harm. Its unique, micro-abrasive formula works hard, so it's easy to achieve a sparkling, scratch-free shine.

## features

- Formulated to be a powerful cleaner incorporating mild abrasives, builders, and a unique blend of emulsifiers – cuts through greases and heavy soils quickly, and removes scuff marks incredibly easily.
- Specially selected abrasives allows product to be safely used on a variety of surfaces including porcelain, marble, ceramic, stainless steel, chrome, brass, aluminum, copper, fiberglass, melamine, and many plastics.
- Cleans and polishes in one step leaving a light protective coating behind.

**optimal applications** Use all around bathrooms – tubs, sinks, and toilet bowls; metal parts, countertops, door knobs, pots and pans.

**ideal for** Hotels, motels, health care facilities, nursing homes, schools, supermarkets, department stores and office buildings.

## environmentally preferred green cove™
