fusion series is our line of housekeeping products designed to be easy to use, efficient and safe. From state-of-the-art dispensing solutions to clear, simple color-named packaging, we've created fusion products in ways that make house-keeping a pleasure.

Orange is a powerful one-step multi-purpose cleaner formulated with a blend of low foaming emulsifiers, environmentally friendly solvents and chelating agents to remove a wide range of soils including tough grease. Safe on almost all surfaces. It dries quickly to leave surfaces streak-free and sparkling clean.

features

- Low foaming surfactant/solvent system is ideal for automatic scrubbers for cleaning or degreasing.
- pH neutral product makes it safe for human touch and for most finished and painted surfaces.
- Will not soften or dull floor finishes or waxes.
- Grapefruit fragrance leaves cleaned areas with refreshing, uplifting scent.

optimal applications Commercial tiled (VCT) floors, polyurethane finished wood floors, painted walls, marble and terrazzo tiled floors and lobbies, plastic and metal machinery, stainless steel equipment, tables, chairs and furniture, countertops and all plastic and glass surfaced objects.
