

osmium

foaming | alcohol hand sanitizer

element series consists of specialty products formulated to offer effective and safe solutions for customers' unique cleaning needs. For each solution developed another 'element' is added to the series. Providing our customers with the right solution for each task.

Osmium is an alcohol-based foaming hand sanitizer formulated to be used without water or towels. Osmium helps control the spread of germs by killing 99.99% of common germs that cause illness. Osmium is formulated with emollients and our signature 'cranberry ice' fragrance, leaving hands smooth and soft with a most pleasant and refreshing scent.

features

- Helps avoid spreading of germs. Contains 62% ethanol which has been recognized by FDA as insuring killing 99.99% of common germs that cause illness
- Economical. Dispenses rich foam to ease spreading of sanitizer evenly over hands for optimal effectiveness while using only a minimal amount of product.
- Easy to use. Product quickly evaporates on the skin without leaving a sticky residue.
- Leaves a refreshing scent. Formulated with a cranberry ice fragrance which leaves the hands with a most pleasant and refreshing scent.
- Soft on hands. Formulated with emollients which leave hands smooth and soft and prevents drying of skin.

optimal applications

Nursing homes, hospitals and other healthcare facilities, hotels, motels, office buildings, restaurants and food service establishments, sports and exercise facilities, and schools.
