

prodigy detergent

general-purpose | concentrated laundry detergent

linden series combines high-performance with formulations that preserve the soft feel and fresh scent to all fabrics. High tech solutions to common spot and stain problems allow you to get the most use possible from your linens and fabrics.

Prodigy Detergent is a fully balanced detergent effective as a stand-alone product for personal clothing in on premise laundries and home-style machines as well as in commercial and institutional laundries as part of a total laundry program.

features

- As a fully balanced formula it is the ideal workhorse for cleaning the mixture of oily and particulate soils common in personal clothing and mixed loads treated in industrial and institutional laundries. It is safely usable on any water washable fabric.
- Because of the water conditioners built into the formula, it is equally effective at high levels of water hardness as in soft water.
- Soil suspending agents present prevents re-deposition of soils, hence graying and/or dulling of fabric is minimized. With the additional presence of optical brighteners, the clothing comes out of the washer/dryer sharp and bright looking.
- Can be used in a total laundry program – with breaks, bleach, softener and sour, or as a stand-alone product in home-style machines.

optimal applications

Commercial laundries, Hotels, motels, health care facilities, nursing homes, and restaurants.

environmentally preferred green cove™
