seventeen

solid dishmachine detergent

detergente sólido para platos

resolve series | high-performance food service solutions

seventeen is a premium phosphate free dish detergent solid in a capsule. It is formulated as a heavy duty combination of alkaline builders, organic polymeric compounds that effectively complex hardness ions, soil suspending polyacrylates, and non-foaming detergents.

directions for use

Seventeen was designed to work with our automatic dispensing unit to ensure convenient, hands off dispensing to deliver powerful cleaning. Our chemical feed system delivers reliable performance and durability. Consult your Santec representative for specific use directions.
