DETERGENTE CONCENTRADO | ALTA CONCENTRACIÓN DE EMULSIONANTES

CLEAN COMFORT | that new clothes feel

Status is a premium quality, powdered laundry compound suitable for industrial and institutional use. It has been specially formulated for outstanding performance. Contains biodegradable synthetic detergents and a high level of detergent builders, and is equally effective in hard or soft, hot or warm water. It contains soil dispersants and suspending agents to prevent redeposition of soil, and an optical brightener for whiter whites and brighter colors. It has a moderate foaming action, and can be used in all types of industrial and institutional laundry machines. Excellent on cotton blends and synthetics.

directions for use

Small machines (15-20 lb. Wash Load): 1/4 to 1/2 cup per wash load.

Large machines: For light to medium soils use 8 to 16 oz. *Status* per 100 lb. load. For heavy soils use 16 to 32 oz. *Status* per 100 lb. load. To optimize use levels for your specific needs contact your Santec technical representative.

WARNING

HAZARD STATEMENTS

Causes eye and skin irritation.

PRECAUTIONARY STATEMENTS

Wear protective gloves and eyewear protection. Do not breathe dust/mist. Wash thoroughly after handling.

FIRST AID

Eye Contact: Check for and remove any contact lenses. Flush with large quantities of water, holding eyelids open for 15 minutes. Seek medical attention immediately. **Skin Contact:** Wash skin with copious amount of water. Seek medical attention if symptoms persist. **Inhalation:** Move victims to fresh air. Flush mouth and nasal passage with water repeatedly. Seek medical attention immediately. **Ingestion:** Do not induce vomiting. Drink copious amounts of water. Seek medical attention immediately.

STORAGE

Store in original container protected from sunlight in a well ventilated area, away from incompatible materials, food and drink. Keep out of reach of children.

SPILL / LEAK

Avoid runoff into storm sewers and ditches which leads to waterways. Vacuum or sweep up material and place in a designated, labeled container.

DISPOSAL

Dispose of material in accordance with local, state and federal regulations.

HAZARDOUS INGREDIENTS

Sodium Carbonate (497-19-8)
Sodium Tripolyphosphate (7758-89-4)
Sodium Metasilicate Anhydrous (6834-92-0)
