surge builder™

alkalinity booster

linden series | clean, soft, fresh textile care

Surge Builder is a highly alkaline liquid laundry builder with heavy duty performance to “break out” soils. Surge is designed for use in all commercial, industrial and institutional laundry washing machines. When dispensing at a properly controlled rate, surge does not reduce tensile strength of common fabrics such as cotton, polyester and blends. Surge is not for use on delicate fabrics such as wool and silk.

directions for use

Surge Builder is for industrial use only. It should be used in a wash formula specifically designed to meet the needs of your facility. Consult your Santec technical representative for specific use directions.

DANGER

HAZARD STATEMENTS

Causes severe skin burns and eye damage. May be corrosive to metals.

PRECAUTIONARY STATEMENTS

Wear protective gloves, splash goggles, face shield, full suit, vapor respirator and boots. Do not breathe mist /vapors /spray. Wash thoroughly after handling.

FIRST AID
