turf detergent

enzyme | built detergent

linden series | clean, soft, fresh textile care

Turf Detergent is a robust all purpose, powdered laundry compound suitable for industrial and institutional use. It has been specially formulated for outstanding performance, especially on athletic uniforms. Contains biodegradable synthetic detergents, powerful enzymes and detergent builders, and is equally effective in hard or soft, hot or warm water. It contains soil dispersants and suspending agents to prevent redeposition of soil, and an optical brightener for whiter whites and brighter colors. It has a moderate foaming action, and can be used in all types of industrial and institutional laundry machines. Excellent on synthetics and cotton blends.

directions for use

Small machines (15-20 lb. Wash Load): 1/4 to 1/2 cup per wash load.

Large machines: For light to medium soils use 8 to 16 oz. Turf Detergent per 100 lb. load. For heavy soils use 16 to 32 oz. Turf Detergent per 100 lb. load. To optimize use levels for your specific needs contact your Santec technical representative.

WARNING

HAZARD STATEMENTS
