twenty four™

heavy duty clinging | oven cleaner

resolve series | high-performance food service solutions

Twenty Four is a heavy duty, penetrating and clinging industrial oven and stove cleaner that dwells for a long time on all surfaces making it especially effective for vertical surfaces and heavily encrusted and baked-on greases and food soils.

directions for use

Note: Wear gloves and long sleeved garments when using this product. Do not use on painted surfaces. Avoid contamination of food.

1. Spray onto the surface to be cleaned.
2. Allow solution to penetrate grease deposits for 15 minutes depending on the thickness of the deposits.
3. Wipe off dissolved and loosened grease with a damp cloth.
4. Rinse with clear water.

Twenty Four works faster when applied to a warm surface (120°F, 50°C). Rinse off after cleaning. Twenty Four is safe on iron, steel, stainless steel, nickel, porcelain and glass. Product should not be used on aluminum or painted surfaces. Avoid contamination of food.
