

yellow

citrus cleaner | degreaser

kaffir lime

fusion series is our line of housekeeping products designed to be easy to use, efficient and safe. From state-of-the-art dispensing solutions to clear, simple color-named packaging, we've created fusion products in ways that make house-keeping a pleasure.

yellow is a heavy duty alkaline, d-limonene-based degreaser formulated with a blend of nonionic and anionic surfactants, corrosion inhibitors, alkaline builders, chelating agents, water-soluble grease dissolving solvents and a pleasant citrus fragrance. It is the one cleaner/degreaser that can safely clean virtually every hard surface cleaning/degreasing challenge available in the industrial market. It can also be used for steam cleaning and pressure washing extremely greasy, oily surfaces.

features

- Powerful and penetrating cleaning action fortified with the natural degreasing ability of d-limonene makes it very effective in demanding industrial cleaning/degreasing environments.
- Will not harm metal surfaces when used as directed.
- Powerful yet versatile formula compatible with all surfaces not detrimentally affected by water.
- Formulated to remove lubricating oils and greases, metal working fluids, food-based oils, inks, general shop dirt and rubber.

ideal for Kitchen floors and walls, restaurant food preparation areas, industrial concrete floors, industrial machinery, stainless steel equipment, refrigerators, ovens, grills, air conditioning ducts tiles and marble.

optimal applications Hotels, motels, hospitals, health care facilities, nursing homes, schools, apartment complexes, office buildings, warehouses, manufacturing plants, food plants and meat plants.

environmentally preferred green cove™
